Where Community and Business Connects

Network with the local business community and discover what is available in our area including retail, services, health care, community groups, nonprofits, and more! Family Friendly Fun!

Vendor Details

Vendors must provide their own table (5-6' rectangle table), own chairs and table cloth if desired. Each business must provide a \$25 value (or more) family-friendly drawing item for community members to earn a chance to win (to be used at the Chamber's discretion). Please provide the physical item on, or before, the event start date/time. Electrical outlets are limited and available at your request - please indicate on your registration form if electricity is needed. Your table must be setup and staffed at all times during the hours of 2-7pm. (Setup 1-2pm/tear down 7-8pm) All entries are non-refundable once submitted. First come-first serve and priority is given to those paid in full first.

We are excited to include a new educational leadership opportunity for local students this year. From 2-4pm the Expo is designed to welcome students to explore career opportunities in Covington and the surrounding areas. Vendors will be utilizing this time to work directly with students on sharing their business specialties, educational history and goal-sharing ideas. This is to inspire our students on achieving post high school opportunities. The public portion of the Expo will be from 4-7pm. If you are registering to be a vendor this means you will be participating in the entirety of the event 2-7pm as the Covington Chamber of Commerce and Kent School District promote educational leadership/advancement opportunities in our Community.
